

# ACTIVITIES 2005

## **0. General situation**

The year 2.005 has been the year of consolidation of UDALBIDE Elkarlan Elkarte. The new director, Jose Luis Mendoza, has strengthened the work tackled till now and at the same time it has improved the internal organization.

The Framework Programme of UDALBIDE it has been publicized by means of the web page of the Association; [www.udalbide.net](http://www.udalbide.net) . Likewise, to be able to carry out UDALBIDE's annual project collaborators have selected the associations by means of an opened summons.

## **1. Activities**

All the initiatives carried out were developed in areas of competence of town councils.

All the activities we have carried out with the financial assistance of different town and city councils, the Basque Government and the Provincial Councils of Gipuzkoa and Bizkaia, have been developed within the scope of municipal competences.

To develop its different activities, UDALBIDE has set several of its own programmes in motion, mainly in the fields of Basque culture – including Euskera, sports, the economy, the media and others.

Activities have been mainly, albeit not entirely, developed in Nafarroa and Iparralde, due to the fact that it is in these territories where Basque culture is most disadvantaged.

**HURBILTZEN** This initiative is a twinning programme between municipalities of Euskal Herria, the aim of which is to enable municipalities and citizens to cultivate their relations in order for us to get to know each other better, appreciate each other, collaborate and share values and projects that we have in common. The twinings are being carried out in collaboration with territorial socio-economic institutions and agents and are related to the promotion of Euskera, culture, sports, town and country planning and the social and economic development of all the territories of Euskal Herria. Although each *herrialde* (territory) has its own characteristics, we share a common basis that characterizes us and enriches us: Euskera.

Since 2002, a twinning programme or partnership agreements between municipalities of Euskal Herria has been set in motion. Numerous town councils have taken part in this programme since then: Antzuola, Artea, Asteasu, Ataun, Azkaine, Azpeitia, Bakio, Beasain, Deba, Getxo, Heleta, Indaux-Mendi, Kanbo, Lazkao, Lekunberri, Lesaka, Mendexa, Muskiz, Oion, Ordizia, Sara, Bertizarana, Ituren, Lapuebla de Labarca, Milafranga, Mungia, Sunbilla, Urdazubi and Urruña.

In 2005:

- **Getxo – Goierri – Angelu (1.500 €)**
- **Ataun – Sara (930 €)**
